VR AR Association

The VR/AR Association (VRARA) is an international organization designed to foster collaboration between innovative companies and people in the VR and AR ecosystem that accelerates growth, fosters research and education, helps develop industry standards, connects member organizations and promotes the services of member companies.

We are a global team with Chapters in major cities around the world to help you locally and connect you to global opportunities. Chapters are run by a Chapter President whose responsibilities include hosting chapter events and connecting members. Chapters offer face-to-face networking at local events, and the global network of chapters connects the best people and companies anywhere. We have the mission & passion for accelerating smart growth at a global scale for our industry!
